OWBC's Clay Shoot Fundraiser is August 27th

Georgetown, Texas, June 17, 2021 – Opportunities for Williamson & Burnet Counties (OWBC) is the local community action agency for Williamson and Burnet Counties. By offering programs like Meals on Wheels, Head Start, and Community Services (case management and utility assistance), OWBC fosters self-sufficiency and independence within the community. Many clients at Opportunities for Williamson & Burnet Counties are low-income individuals and families that need services to ultimately transition out of poverty.

This year, OWBC is holding the [“Pull, Shoot & Serve” Clay Shoot Fundraiser](#) on Friday, August 27, 2021 from 9am-2pm at Reunion Ranch in Georgetown. This fundraiser is a 10-station clay shoot that includes a light breakfast, lunch, game add-ons, and the raffle of an ATV/golf cart.

The fundraiser is unrestricted, meaning funds raised can be allocated where they are needed most within the agency. For this reason, the Clay Shoot Fundraiser is one of the most impactful fundraisers held by Opportunities for Williamson & Burnet Counties.

Sponsorships ranging from \$500 to \$5,000 are currently available. Our sponsorship opportunities include a Lunch Sponsor, a Clay Sponsor, Game Sponsors and more. Higher level sponsorships also include free team registration. Any business or organization looking to sponsor the clay shoot will be showcased in marketing materials.

Team registration is also open and is \$1,200 for a team of five shooters. Interested sponsors and teams can register and learn more on our [event webpage](#).

Please contact Emily at ehayes@owbc-tx.org or (512) 763-1400 x 2018 with any questions.

###

Opportunities for Williamson and Burnet Counties is the area's community action agency. Our mission is to empower children, families, and seniors to achieve and maintain independence by partnering with area organizations to provide education, nutrition, housing and community support.
