THIS & THAT

*Did you know?

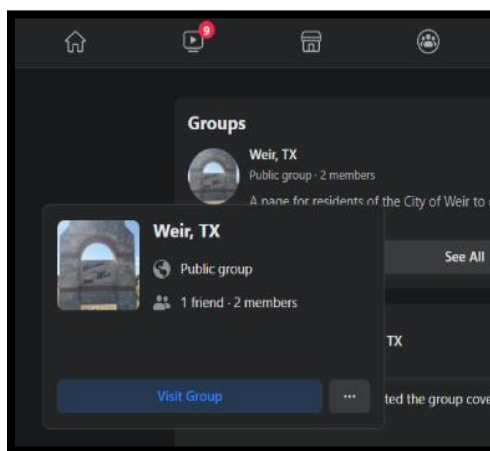

In August 1762 the sandwich, as we know it, was created when Earl of Sandwich requested meat between two pieces of bread.

August was once the sixth month of the year. In the original ten-month Roman calendar, the month went by the name of Sextilis, meaning "the sixth month" in Latin. It wasn't until around 700BC that August was rudely shoved back in the order of months when January and February were added to the beginning of the year by King Numa Pompilius.

*The Weir Community Center is getting closer to being completed, the septic system is coming along and we're patiently waiting for it to be finished so we can get the parking lot done. 😊

*There is now a Facebook page for the residents of Weir, and those that live close by, to be able to communicate quickly, share thoughts and ideas, get in the know of what's going on, and get to know your neighbors. Visit Facebook and search Weir, TX.....if you see this, that's it!

*Still haven't visited our website? What are you waiting for?! Go check it out!

PRAYERS & SYMPATHIES

May you see God's light on the path ahead when the road you walk is dark.

May you always hear, even in your hour of sorrow, the gentle singing of the lark.

When times are hard may hardness never turn your heart to stone, may you always remember when the shadows fall, you do not walk alone.
