## ASTROLOGY

**Flower:** Rose

**Birthstone:** Pearl & Moonstone

**Astrological Sign:** Gemini (May 22 – June 21)

**Horoscope:** Is it time to tune in to the details more this year, Gemini? Quick-moving Mercury, your ruler, affects how you communicate, think, socialize, interact with technology, and exchange information, and because of that, Mercury's dreaded retrograde cycles are particularly tough for you. And while you're able to think and reason your way out of most retrograde-cycle jams, being aware of when they are can help you prepare in advance for any potential slowdowns.

You celebrate your solar return when the sun journeys through your flexible, versatile sign from late May to late June, welcoming a time of year when you're feeling particularly happy to be alive. No matter what you went through last year, you're ready for a fresh start, so happy birthday to you, witty and mentally ambitious Gemini! You're able to perceive things now that other people just ignore, which gives you the upper hand both personally and professionally. Be sure to take advantage of your active, agile

mental capacity to succeed beyond your wildest dreams during this special month!

Pallas, the asteroid of wisdom, can also give special insight into your year, and as it travels through your brainy sign from early July to early September, you find your strength in words. Speaking and writing have a special effect now because you can use them to heal, persuade, enlighten, or entertain. This is an especially great time period to use social media as a platform for whatever you want the world to know. Telling your story to a global audience is life changing now, but listening is just as valuable as talking.

## TASTY TEMPTATIONS

### \*Barbecue Chicken Pan Pizza\*

### Ingredients:

- 1 rotisserie chicken
- EVOO or vegetable oil
- 1 red onion
- 3 to 4 cloves garlic
- Salt and pepper
- 1/2 cup chicken stock
- 1 cup ketchup
- 1/4 cup light brown sugar
- 1/4 cup molasses
- 1/4 cup cider vinegar
- 1/4 cup Worcestershire sauce
- 1 tablespoon smoked sweet paprika
- 1 tablespoon ground mustard
- 1 pound ball dough from market or your favorite pizza parlor or EZ Pizza Dough, recipe follows
- AP flour, for dusting
- About 1 tablespoon cornmeal
- Pinch of crushed red pepper flakes
- 1 cup each shredded mozzarella cheese AND shredded yellow cheddar cheese
- About 2 tablespoons acacia honey
- 2 tablespoon hot sauce, Frank's RedHot or chipotle Tabasco preferred brands
- Cilantro leaves
- Scallions, sliced
- Sliced fresh jalapeno peppers
- Garlic Bread Fries, for serving, recipe follows

### EZ Pizza Dough:

- 1 cup warm water
- 1 package active dry yeast (look for pouches marked "For Pizza")
- 2 tablespoons EVOO, plus some for bowl to rest dough
- 1 tablespoon acacia honey
- 2 teaspoons kosher salt
- 3 cups AP flour

### Garlic Bread Fries:

- 1 bag frozen steak fries
- 3 tablespoons butter, melted
- 1/4 cup grated Parm
- 1 teaspoon granulated garlic

1 teaspoon dried parsley  
1 teaspoon oregano  
1/2 teaspoon ground pepperoncini or crushed red pepper flakes

### Directions:

1. Preheat the oven to 525 to 550 degrees F, as high as it goes, with rack at center. Preheat a cast-iron skillet, 12 inches, over medium to medium-high heat (to aid in a crispy bottom crust while pizza is in oven).
2. Gather your ingredients.
3. Remove skin from chicken, remove meat from bones and pull meat into bite-size pieces. Dice onion, grate or mince garlic.
4. Preheat a second cast-iron or other skillet over medium-high heat. Add oil, 2 turns of the pan, then add onions and garlic, season with salt and pepper and soften a few minutes. Add stock and let it finish cooking the onions by absorbing into them. Add ketchup, sugar, molasses, vinegar, Worcestershire, paprika and mustard. Add chicken to sauce, turn in sauce and remove from heat.
5. Roll and stretch dough on lightly floured surface into 12 to 14-inch even round that will cover pan. Turn off heat under skillet, sprinkle a little cornmeal in skillet and press dough into hot skillet and up sides as much as possible. The pan is hot -- reminder. Brush the dough with EVOO and season with a little salt and pepper or red pepper flakes. Top the dough with chicken and sauce and top with the cheeses. Place in oven. Bake the pizza 10 to 12 minutes to deep golden brown and bubbly.
6. Combine honey, splash of water and hot sauce in small pot or skillet and heat over low heat.
7. Drizzle or brush the pizza with the honey mixture and top and scallions, cilantro and jalapeno.

### EZ Pizza Dough:

1. To a mixer with dough hook attached, add warm water and yeast and let the yeast bloom and foam, 5 minutes.
2. Add EVOO, honey and salt and turn on mixer. Add the flour gradually to form dough. Transfer to a bowl drizzled with a little EVOO and cover; let stand 1 hour.
3. Cut dough in half, wrap half the dough and freeze for later use.

### Garlic Bread Fries:

1. Preheat the oven to 525 to 550 degrees F.
2. Line a baking sheet with fries and bake 15 to 20 minutes to very crispy.
3. Add fries to large bowl. Pour butter and remaining ingredients over the fries. Toss to coat. Serve hot.
