*Road Repair Updates

The Council has chosen a company for the road repairs and we are on their schedule, Keep an eye out for workers in your area.

*Community Center Update

The septic system is finally finished and has had final inspection from Williamson County!!! Can I hear an AMEN?! LOL! Our Engineer has applied for a grant so we can get the parking lot finished. Will know more around October.

***Market Days** is almost over, and boy has it been HOT! Should we have Market Days in the fall/winter instead of summer? We may get more people out here that way. Let me know your thoughts. vgarner@cityofweir.org

ASTROLOGY

Flower: Gladiolus & Poppy

Birthstone: Peridot

Astrological Sign: Leo (Jul 23 – Aug 22)

Horoscope: You love it when all eyes are on you, Leo, and you should continue to get the attention

you crave for most of the year. Your ruler is the big, bold, hot sun, not a surprise for someone who constantly wants to bask in the light of their own beauty and accomplishments! As usual when the year begins, you'll be experiencing the earthy energy of ambitious, successful Capricorn, which should give you plenty of reasons to be proud of yourself.

You work best in a leadership role or entirely on your own, don't let someone tell you what to do!

Your favorite time of year comes, of course, toward the end of July, when the sun returns to your exciting sign after a year of traveling, and you look forward to celebrating your birthday at some point in the coming month. You're the life of the party, and your outgoing, playful mood helps you make the invite list to everyone's summer celebrations.

The emotional moon adds balance to the sun's ego, and the new moon in fellow fire sign Sagittarius at the end of November lights up your fifth house of pleasure and ensures this lunation is filled with fun and enjoyment. However, you'll also be called on to attend to your responsibilities over playtime, which can be a buzz kill but also teach you a good lesson about prioritizing.

TASTY TEMPTATIONS

Summer Potato Salad

Ingredients

- 2 lb small red potato, scrubbed and halved
- 1 tablespoon salt
- 2 ears corn
- 1 tablespoon dijon mustard
- 3 tablespoons pickle juice, divided
- 1 red bell pepper
- 1 cup vegan mayonnaise, or regular
- ½ teaspoon paprika
- 1 ½ teaspoons salt
- 1 teaspoon pepper
- ½ cup celery, diced
- ⅓ cup dill pickle, coarsely chopped
- ¼ cup red onion, chopped
- ⅓ cup green onion, chopped
- 2 tablespoons fresh dill, minced
- 2 tablespoons fresh chives, chopped, for garnish

Directions

1. Place the potatoes in a large pot with enough water to cover by 2 inches (5 cm). Cover and bring to a boil over high heat.
2. Once boiling, uncover, add the salt and corn, and reduce the heat to medium. Simmer for 10-15 minutes, until the potatoes and the corn are tender. Drain.
3. Add the potatoes to a large bowl. Combine 2 tablespoons of pickle juice with the mustard and pour it over the still-warm potatoes. Toss to coat. Refrigerate for at least 30 minutes or up to an hour.

4. Dice the red bell pepper, removing the ribs and seeds.
5. Set a medium bowl upside down in a large bowl and stand a corn cob on the inverted bowl. Cut the corn kernels from the cobs, letting them fall into the larger bowl.
6. In a medium bowl, combine the mayonnaise, remaining tablespoon of pickle juice, paprika, salt, and pepper and stir until smooth.
7. Add the bell pepper, corn, celery, pickles, red onion, green onions, and dill to the bowl with the potatoes. Pour the sauce over and toss to coat.
8. Sprinkle the potato salad with chopped chives, for garnish.
9. Enjoy!

Summertime Fruit Punch Lemonade

Ingredients

- Granulated sugar, for rimming
- 3-4 slices fresh watermelon, rind removed and cubed
- ¼ cup fresh parsley leaves
 - 1 1/2 cups vodka
 - 3/4 cup lemon juice
 - 3/4 cup agave nectar or simple syrup
 - pink lemonade
 - Sprite or 7-up
 - Seasonal fruits, garnish

Directions

1. Gather punch bowl, ladle, and glasses
2. Add a sugar rim to half of a glass: Wet the rim with a piece of watermelon and roll or dip it into a small dish of sugar.
3. Muddle slices of watermelon (enough to get 1 cup of juice) with about 1/4 cup of parsley leaves. Let the herb steep in the fruit juice for about 1 hour.
4. Strain the fruit and herb pieces from the juice and pour it into a pitcher.
5. Add 1 1/2 cups of vodka along with 3/4 cup each lemon juice and agave nectar.

August 2022, Volume 22 Issue 8

6. Just before serving, fill the pitcher with ice, then top with half pink lemonade half sprite/7-Up.
7. Stir and give it a taste. Add more agave nectar or one of the juices to taste.
8. For a non-alcoholic version, remove the vodka, add extra pink lemonade and Sprite/7-Up.
